SUBJECT: Meeting Scheduled for 19 May 1958

1. A meeting of the NIS Chapter IX Subcommittee will be held at 2:00 PM on Monday, 19 May 1958, in Room 206, Building 11, for the purpose of reviewing the Chapter IX forecast for FY 1960 and establishing the final schedule; reviewing the forecast for FY 1961; and outlining a forecast for FY 1962.
2. Consideration will be given also to an Army proposal that NIS 30^M (Iraq), the last Chapter IX on the FY 1959 schedule, be interchanged with NIS 25B (Malta), which appears first on the FY 1960 forecast. New materials for Iraq to be received during May 1958 will alter the contribution that is currently in preparation at AMS, and will delay the delivery of the contribution beyond the November 1958 due date to D/GG. Since the FY 1959 schedule has been considered to be firm, this proposed change will also be subject to NIS Committee action.
3. It is suggested that the due dates for NIS Areas on the FY 60 Schedule be established as follows:

<u>NIS No. and Area</u>	<u>Contributions due at D/GG</u>	<u>Chapter to OBI</u>
25B Malta (or 30 Iraq, 1 ² revised)	Mar 59	Aug 59
13A ^M East Germany	Apr 59	Oct 59
76 Costa Rica 25X6a	May 59	Nov 59
[REDACTED]	Jun 59	Jan 60
50C French West Africa	Aug 59	Feb 60

13 MAY 1958

<u>NIS No. and Area</u>	<u>Contributions due at</u> D/GG	<u>Chapter to OPI</u>
53 ^M Egypt	Sep 59	Mar 60
97 New Zealand	Oct 59	Apr 60
508 Nigeria and British Cameroons	Nov 59	Jun 60

4. No changes in the FY 1961 forecast are proposed.

5. The following proposal for the FY 1962 forecast has been prepared as a basis for discussion -- taking into consideration the priority list, the balance between new work and the maintenance program, and the status of the rest of the NIS for the area:

<u>New Areas</u>	<u>Maintenance</u>
25A Gibraltar	39A ^M Communist China
31 Liberia	33 ^M Iran
52 Equatorial Africa	18 ^M Czechoslovakia
39 Chile	or 19 ^M Hungary
78 Cuba	or 14 ^M Poland
or 88 Peru	

5. Your study of the above proposals and suggestions for change will be appreciated.

6. Please notify 25X1A9a (code 143, ext 2384) by Friday, 16 May 1958, if you have additional items for the agenda.
